Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Acton Fire Resilience Program in Fiscal Year 2027. The entity to receive funding for this project is the Los Angeles County Fire Department located at 1320 N. Eastern Ave, Los Angeles, CA 90063. The funding would be used for improving the public safety and emergency response efforts in my district. The project is an appropriate use of taxpayer funds because it will reduce wildfire ignition risk for high-risk households in Acton, which is in California's 27th Congressional District.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

George Whitesides (CA27)
Member of Congress
