Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the South Antelope Valley Emergency Services (SAVES) Tenant Equipment Improvements Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Palmdale, located at 38300 Sierra Highway, Suite A, Palmdale, CA 93550.

The funding would help create a more organized and efficient space to support food distribution, client intake, case management, and on-site partner services for more than 12,000 unduplicated residents served annually. This project has a federal nexus because it is for the purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

George Whitesides (CA27)
Member of Congress
